

WILSONART® QUARTZ PROGRAM

This curated collection of Wilsonart® Quartz is now available for Hammond Lumber with promotional pricing through your below fabricator partners. Please contact fabricators for pricing.

Offer valid April 1, 2024 through June 30, 2025

WHY WILSONART QUARTZ?

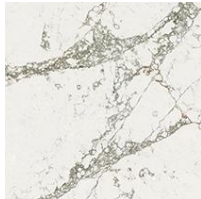

- Abundant, luxurious, and elegant designs for any space
- Manufactured with up to 93% high-quality natural quartz crystals, resulting in low emissions and high durability
- Locally distributed and readily available to keep your project on track.
- Easy to maintain — remains brilliant with soap and water
- Highly resistant to abrasions and scratches
- Non-porous and stain resistant
