THERMA TRU® DOORS

FIBERGLASS ENTRY DOORS

Final Frame with rot- proof bottom, giving the door and jamb lifetime warranty. Ask for details.

An excellent value in a fiberglass entry door, made of rugged compression-molded fiberglass with deep detailed panels that create beautiful shadows and contours on your door's surface. These perfectly stylish yet rugged fiberglass front doors resist the dents and dings from day-to-day traffic, and will never rust or corrode.

Meet with one of our dedicated full-time home planning specialists. Bring us your plans and ideas or even your rough sketches and we'll work with you to professionally plan your project. We draw customized residential homes, garages with or without living spaces, and additions. Stop into any store or have a sales representative come to you to see what you have in mind. Our Home Planning specialists will draft your ideas into drawings and also a list of materials you'll need. No matter the size of your home or garage project, if you buy all your materials from Hammond Lumber Company, we'll refund all of your design fees. Call today for an appointment and we'll get to work.

The following project types will not be drawn by our Home Planning Center: • Multi-family • Commercial • Industrial • Municipal • Place of Business
